

Kukui'ula Outrigger

Surf and Sail Club

RE: Kukui'ula Outrigger Surf & Sail Club

KOSSC is a new south shore outrigger canoe club serving the many participants that need a place to practice and race, as well as those that just want to learn about the rich history of Hawaiian outrigger canoeing and sailing. We are 501 c.3. designated non-profit organization.

There are currently approximately 15 founding members that have paid \$100 yearly dues. We would like to keep the annual dues low so as to allow more members of the community to participate, but as you can well imagine, the amount of start up costs have greatly surpassed the amount collected in annual dues. To this end, KOSSC respectfully requests a contribution to help defer the startup costs associated with such an endeavor. The breakdown is shown below.

Start up costs include:

1. Hull Insurance – This policy insures the canoes themselves with a \$1000 deductible for the full replacement cost of the \$10,000 - \$15,000 canoe. The yearly premium is approximately \$350/canoe. Total - \$700
2. Liability Insurance – This policy insures and protects the paddlers and indemnifies the various State and County agencies. This policy has a yearly premium based on the number of paddlers covered, typically \$50/paddler. There are currently 15 founding members, and we should be able to at least double that number with our recruiting efforts. Total = \$1500
3. HCRA – Hawaiian Canoe Racing Association annual dues of \$125 cover the club for racing events. Total = \$125
4. GICRA – Garden Island Canoe Racing Association annual dues of \$125 cover the club for racing events. Total = \$125

5. Start Up Operating & Maintenance Costs
 - a. Rigging bags - \$300
 - b. Rigging line - \$100
 - c. Canoe storage cover - \$600
 - d. Storage - \$1,000
 - e. Steering blades (2ea) - \$600
 - f. Launching dolly - \$500
 - g. Miscellaneous items - \$500
 - h. 501 c. 3. application/process - \$1,000
 - i. Used Canoe - \$6,000.00

6. Future Expenditures -
 - a. Racing canoe - \$12,000
 - b. Used Canoe - \$6000.00
 - c. Trailer for transport of canoes - \$8,000
 - d. Tents for race days - \$600
 - e. Additional steering blades (2ea) - \$600

As you can see just to get us in the water, our start up costs alone are over \$13,000. Any assistance in deferring these costs is greatly appreciated and we thank you for your support. It should also be noted that any donation made to the club is expected to be tax exempt.

Sincerely,
Kendall Bond, President
